incl. 19% VAT, plus [shipping](#)

- Mini-PCI-Express !
- 30/25fp 1920x1080 !

Support:  [Specifications](#) | [Drivers](#)

#### Features :

- H.264 Software Compression 1ch Video Input
- HDMI/YPbPr/DVI-D/VGA input
- HD 1080P at 30fps Single Channel Input
- MiniPCle (MiniCard) Interface

#### System

|                      |                                                                                                       |
|----------------------|-------------------------------------------------------------------------------------------------------|
| Max. FPS             | 30/25fps @ 1920x1080p                                                                                 |
| Recording Mode       | Software Compression, Real-Time Mode                                                                  |
| Dimension            | 30 × 50.95 (mm)                                                                                       |
| Interface            | Minicard (PCIe x1)                                                                                    |
